

Landscaper Volunteer Description

Purpose: To help maintain the native vegetation and landscaping around TOC-West.

Key Responsibilities:

- Water and weed garden beds and planted trees.
- Plant new flowers, trees and shrubs as needed.
- Assist in removing invasive species when needed.
- Other duties as assigned.

Qualifications: Dependable, able to work independently or in a small group, able to stand, bend or kneel for extended periods of time, able to lift/carry up to 15 pounds, knowledge of SD native plant species

Training: All of our volunteers are required to go through a basic orientation to The Outdoor Campus-West. Additional training will be provided as tasks are assigned.

Time Commitment: Opportunities will vary, but may include daytime, evening or weekend hours during the growing season.

Age Requirement: None
