

Woodworker Volunteer Description

Purpose: To provide assistance and expertise with various woodworking projects at The Outdoor Campus-West.

Key Responsibilities:

- Assist with or lead various woodworking projects.
- Maintain a safe working environment.
- Assist in teaching others to use basic tools.
- Other duties as assigned.

Qualifications: Good communication skills, experience with woodworking tools (table saws, drills, etc.), able to work independently or in a small group, knowledgeable with woodworking safety guidelines

Training: All of our volunteers are required to go through a basic orientation to The Outdoor Campus-West. Woodworking volunteers would also be given additional instruction/training as required for the completion of various tasks.

Time Commitment: Opportunities will vary, but may include daytime, evening or weekend hours.

Age Requirement: Woodworkers must be at least 18 years of age or older.
