

RARE SPECIES REPORT CARD

**SOUTH DAKOTA NATURAL HERITAGE PROGRAM
SOUTH DAKOTA DEPARTMENT OF GAME FISH AND PARKS
523 E. CAPITOL-FOSS BUILDING
PIERRE, SD 57501**

Species _____ Date _____

Observer(s) name, address, phone and/or email _____

Location (distance from well-known landmarks or GPS coordinates) _____

County _____ Township _____ Range _____ Section _____ Quarter Section _____

Describe how the species was identified and observer's experience with the species _____

Describe the habitat _____

Ownership of Land _____

If a specimen was collected where will it be deposited? _____

Were photos taken? (if possible include a photo) _____

Information on rare species will be entered in the South Dakota Natural Heritage Database and used for environmental review, land management decisions, conservation planning and land acquisition decisions. If you would like more information about the South Dakota Natural Heritage Program contact one of the following:
